NCCI COVID-19 Rule Change

DATE: 5/8/2020

NCCI recognizes that the circumstances around COVID-19 were extraordinary and, as a result, submitted an expedited rule change (Item Filing B-1441) to address the question of payroll for employees who are being paid but are not working as it relates to the basis of premium. Upon approval, this rule change will be distinct from “idle time” under our current *Basic Manual* rules (Rule 2-F-1), and a corresponding code 0012 will be created for reporting these payments. These payments will not be used in the calculation of premium.
